

HUNT

BOILERS

A Division of Forbes (Aust) Pty Ltd

The HUNT WT D-TYPE range of water tube steam boilers and high temperature hot water boilers is manufactured in Australia and offers many features that position it as a premium product in its market segment.

OPTIONS & ACCESSORIES

The standard HUNT WT range of water tube boilers suit most applications, however various customer specific options and accessories are also available including:

- Alternative configuration and higher-pressure models
- Optional fuels including natural gas, LPG, oil, biogas, waste heat and solid fuels
- Automatic TDS based blowdown systems
- Automatic start up systems
- Automatic chemical dosing systems
- Boiler flues and blow down vessels
- Boiler feed water tanks, stands and hot wells
- Heat recovery economisers
- Deaerators and accumulators
- Boiler water sampling systems
